SEOULFOOD 2015 in Korea

May 12, 2015

Kuraray Chemical Co., Ltd.

We will participate in SEOULFOOD 2015 in Korea with Kuraray Trading Seoul Branch from 12th May to 15th May.

SEOULFOOD is the third largest food industry exhibition in Asia.

Our activated Carbon is used in Korea into many application.

Furthermore KurarayChemical will aim to infiltrate our activated carbon into Korean food & bevarage market, which is used for process water and bevarage refining.
